DECLARATION OF SANDRA RAMSEY LINES

I, Sandra Ramsey Lines, declare as follows:

1. I am Sandra Ramsey Lines, with an address at 6200 East Cholla Lane, Paradise Valley, Arizona 85253. I am a former federal examiner and law enforcement officer. I began training as a forensic document examiner in 1991. I am a Certified Dilomate with the American Board of Forensic Document Examiners, a Fellow in the American Academy of Forensic Sciences, a member of the American Society of Questioned Document Examiners, a member of the Southwestern Association of Forensic Document Examiners, and a member of the Questioned Document Subcommittee of the American Society of Testing and Materials. My background and credentials are set forth in Exhibit I attached hereto.

2. I have reviewed the attached affidavit posted on the internet from "Ron Polarik," who has declined to provide his name because of a number of death threats he has received. After my review and based upon my years of experience, I can state with certainty that the COLB presented on the internet by the various groups, which include the "Daily Kos," the Obama Campaign, "Factcheck.org" and others cannot be relied upon as genuine. Mr. Polarik raises issues concerning the COLB that I can affirm. Software such as Adobe Photoshop can produce

complete images or alter images that appear to be genuine; therefore, any image offered on the internet cannot be relied upon as being a copy of the authentic document.

3. Upon a cursory inspection of the internet COLB, one aspect of the image that is clearly questionable is the obliteration of the Certificate No. That number is a tracking number that would allow anyone to ask the question, "Does this number refer to the Certification of Live Birth for the child Barack Hussein Obama II?" It would not reveal any further personal information; therefore, there would be no justifiable reason for obliterating it.

4. In my experience as a forensic document examiner, if an original of any document exists, that is the document that must be examined to obtain a definitive finding of genuineness or non-genuineness. In this case, examination of the vault birth certificate for President-Elect Obama would lay this issue to rest once and for all.

Further, affiant sayeth not.

DATED: December 4, 2008.
