Vote for Orly Taitz for Secretary of State of California in June 8 Repub. Primary

Dr. Orly Taitz, ESQ is well known around the country as a Constitutional attorney who pursued the cases of massive elections fraud during 2008 Presidential elections, illegitimacy of upcoming Health Bill, and is representing over 200 high ranked members of the military, State Representatives from all over the country and former candidates on the ballot, including Dr. Alan Keyes, former Ambassador to the UN. In 2010 Republican primary Dr. Taitz is facing a former football player Damon Dunn, who in recent interview named Barack Obama as his personal hero and who has zero background in elections law or elections, as he never even voted until 2009. Mr. Dunn was a registered Democrat in Florida since 1999 until he registered as a Republican in CA less then a year ago and only 8 months before his official announcement to run as a Republican for the position of the Secretary of State. That is in violation of CA statute §8001(a)(2), which requires one not to be affiliated with another party for at least 12 months before the announcement of his candidacy. Additionally, Mr. Dunn has violated CEC statutes §18203 and §18500, and committed voter fraud by not disclosing on his voter registration card in CA the fact that he was a registered Democrat in FL. Attached letter from Duval County registrar of voters states that Mr. Dunn has contacted them

on July 10th 2009 and requested to delete from the database his voter registration records (where he is registered as a Democrat).

Dr. Taitz has two doctor's degrees. She is a doctor of Jurisprudence and a Doctor of Dental Surgery. Dr. Taitz is the President of Defend Our Freedoms Foundation and Editor of the OrlyTaitzEsq.com blog, where she writes prolifically on the issues of Constitutional law, politics, economy, constitutional education of our youth. Dr. Taitz is married to her husband of 23 years and a mother to 3 sons, ages 20, 18 and 16. Her oldest son is graduating from an Ivy league university pre-med program next year, her younger sons are in the last years of High School.

Dr. Taitz was born and raised in the Communist Soviet Union and knows first hand the bleakness of the totalitarian regime and deprivation of the Constitutional rights. As Mr. Obama became US president, Dr. Taitz got deeply concerns by the fact that he refused to present any of his original vital records and by the fact that the issue of Mr. Obama's dual citizenship and split allegiance was not heard in any court of law yet. Dr. Taitz has embarked on a pro bono mission to bring this issue to light and have it heard on the merits.

Dear Richard,

The field of Republicans who want to unseat Debra Bowen as California's Secretary of State is now set, and we just received some amazing news — Orly Taitz, the leader of the so-called "Birther" movement that has spent years challenging President Obama's citizenship, is running against Debra for Secretary of State.

As you know, wealthy developer Damon Dunn, who says he got into the race at Karl Rove's urging, is also running for the Republican nomination. Whoever prevails in the primary MUST be taken seriously because of their ability to raise money and distort the issues through their national right-wing networks.

Please contribute today to help Debra stand against right-wing ideologues like Orly Taitz, and continue serving the people of California!

Orly Taitz' candidacy would be amusing if it weren't so serious. Her primary reason for running is to challenge President Obama's citizenship and invalidate the 2008 election. In fact, Taitz has sued Debra twice to try to invalidate Obama's victory.

We can't let fringe conspiracy theorists use this office to get a foot in the door and undermine our democracy.

Debra's opponents are well connected, and have the ability to raise large sums of money from across the country. We must make sure she has the resources to beat them.

Please contribute today to help Debra stand against right-wing ideologues like Orly Taitz, and continue serving the people of California!

We can't underestimate the importance of this race. The Secretary of State is the one person in state government who is responsible for the integrity of our elections. As we saw in Florida in 2000 and in Ohio four years later, we need public servants we trust in this position, not people with a political agenda.

Debra has long served the people of California with integrity. We need her in the Secretary of State's office, not a conspiracy theorist like Orly Taitz.

Please contribute \$25 or more today so that Debra can defeat Orly Taitz and her financial backers — whose sole goal is to challenge President Obama's citizenship and right to be President of the United States!

Thank you for your support. We must do **all we can** to re-elect Debra, and fight against the right-wing radicals backing her opponents.

Sincerely,
Steve Barkan
