AFFIDAVIT

Now comes Susan Daniels, Affiant, and being first duly sworn deposes and avers, on the date set forth herein below, that the following assertions are true on the basis of her direct personal knowledge, observation, and experience, as follows.

1. Affiant is and has been a resident of the State of Ohio since 1941.
2. Affiant has been a licensed private investigator by and in the State of Ohio since March, 1995 and is in Good Standing as a private investigator with the Ohio Department of Public Safety.
3. In pursuance of her occupation, Affiant is and has been able to access proprietary databases and acquire information from a variety of sources, including licensed investigation entities throughout the United States.
4. In August, 2009, Affiant, in the course of her private investigation practice, was engaged to investigate the background of President Barack Obama (hereafter the "Accused").
5. As a consequence of that investigation, Affiant has become aware of the following facts:
 - a. Accused uses, throughout the United States, the State of Ohio, and each of its 88 counties, the Social Security number 042-68-4425.
 - b. At the time of issuance of that Social Security number, the Social Security Administration assigned Social Security numbers on the basis of the Social Security applicant's state of residence and zip code.
 - c. At the time of issuance of that Social Security number, 042-68-4425, Social Security numbers beginning with the digits "042" were issued only to residents of Connecticut.
 - d. Accused was not, in 1977, a resident of the State of Connecticut; nor has he ever been a resident thereof.

- e. The Social Security number now used by Accused throughout the United States, the State of Ohio, and each of its 88 counties, was previously issued to another person.
 - f. The Social Security Administration never reissues Social Security numbers.
 - g. Therefore, the Social Security number used by Accused cannot rightfully and lawfully have been obtained, misleading public officials.
 - h. Therefore, Accused has fraudulently obtained, used, and continues to use Social Security number 042-68-4425 throughout the United States, the State of Ohio, and each of its 88 counties.
 - i. Therefore, Accused has violated and continues to violate ORC Sec. 2913.49 "Identity Fraud," Ohio's "Identity Theft" statute.
6. Affiant submits this Affidavit, pursuant to ORC Sec. 2935.09, to the "reviewing official" in accordance with the mandates and prescriptions of said ORC section.
7. Further, Affiant sayeth naught.

The above statements are true to my personal and direct knowledge, observation, and experience, as I may answer to God.

Affiant
