Dear Dr. Taitz:

Enclosed is a check in the amount of \$100.00. I wish I could give more.

I don't live in California, but I am so happy to see that you are on the ballot there for Attorney General.

The effort that you have been making for years to save our country blows my mind. You are due nothing less than love, adoration and support from the American people.

Thank you from the bottom of my heart. I pray for your success.

May God be your co-pilot and keep you safe.

Sincerely,

A handwritten signature in dark ink, appearing to read "Lorene B. Randolph". The signature is fluid and cursive, with the first name "Lorene" being more prominent and the last name "Randolph" following in a similar style.
